About Us

NHLBI's Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) Programs are engines of innovation for developing and commercializing novel technologies and products to promote the prevention, diagnosis, and treatment of heart, lung, blood, and sleep diseases and disorders. Grant and contract funding supports small businesses in pursuit of NHLBI mission-relevant technologies.

Regards,

Stephen F. Flaim, Ph.D., FACC, FAHA [C]
