4th Annual Conference: Make It Happen

Thank you for your interest in the 2015 Rocky Mountain Life Science Investor & Partnering Conference (RMLIPC). We hope that you join us for the Fourth Biennial Conference to be held on September 24, 2015 in Vail, Colorado with the Opening Reception on the evening of September 23rd.

The Rocky Mountain Life Science Investor & Partnering Conference will bring together leading investors, emerging companies and senior executives to cultivate partnerships within the life science industry. Thirty of our region's most innovative private and public life science companies will present to a targeted audience of biotech, device, diagnostic and pharmaceutical investors.

The Rocky Mountain Region is the largest and most advanced area between both coasts - you don't want to miss this chance to participate in some of the newest deals and meet those who are shaping the future landscape of the life science industry.

"Given the explosive growth of biotech and medical device companies in the Rocky Mountain Region in the last half-dozen years, this conference will provide an excellent opportunity for leading companies to describe their work to interested investors. Both are likely to be surprised at the opportunities for mutual interest."
