

TECHTOWN DETROIT

Catalyst Angel Program

TECHNOLOGY-BASED PROGRAM

BECOME A CONTRIBUTOR. A CONNECTOR. A CATALYST.

TechTown's **Catalyst Angel Program** helps emerging angel investors in the Great Lakes Region who identify as Black, Latinx and/or women gain knowledge about investing, engage in curated courses through partner organizations and connect with other investors in local and national angel communities. Participants have the opportunity to maximize investment strategy and expand capital in the ecosystem with the goal of creating economic opportunities for startup companies.

ADVANTAGES OF ANGEL INVESTING

- Contribute to job growth in your community and beyond by investing in startup companies locally and nationally
- Learn about angel investing as an asset class
- Expand individual capital through angel investing
- Mentor startup founders
- Strengthen deal flow
- Engage with, and learn from, other angel investors and processes

PROGRAM REQUIREMENTS

To be considered for Catalyst Angel Program, applicants must:

- Be an accredited investor
- Have two years or less of angel investing experience

- Reside in Michigan, Illinois, Indiana, Minnesota, Ohio or Wisconsin
- Self-identify as Black, Latinx and/or a woman
- Commit to completing the six required Angel Capital Association basic courses
