

## Roadmap Roadshow

Sign up for a preview of new features!

Gust recently released its Product Roadmap for Fall 2014. While continuing to refine the overall user experience, Gust will introduce the following features in the next 3 - 4 months:

- ✓ Improved Messaging
- ✓ Deal Digest
- ✓ Task Manager
- ✓ Mobile App
- ✓ Streamlined Application Process
- ✓ Portfolio Management Tools

Representatives of Gust's product and investor support teams will be available throughout the Leadership Workshop to receive your feedback and provide platform updates. Take advantage of this opportunity to speak directly with the teams working to improve your group's Gust experience.
