SPECIAL OPPORTUNITIES FOR ANGELS

BEST IN REGION SHOWCASE

Meet the most promising startups championed by attending angels. Select entrepreneurs will present their companies in a lively format throughout the conference agenda.

LUNCH KEYNOTE

Dr. Robert Wiltbank, Professor of Entrepreneurship at Willamette University, author, 2014 Hans Severiens Award winner, CEO and angel investor, will discuss trends in angel investing, valuation, and exit strategies for early stage investors.

ANGEL INSIGHTS

Prepare to prosper and protect portfolio companies in this dynamic market. Agenda topics include discussions on investment and syndication best practices and understanding regional ecosystem opportunities for angels.

COME EARLY & STAY LATE

CONNECT WITH COMPANIES & COLLEAGUES

Wednesday, February 24 — Attendees are invited to attend the February Tech Coast Angels investor dinner. Participate in the group networking, company presentations and review. Sign up during event registration.

Thursday, February 25 — Enjoy cocktails and appetizers and learn more about presenting companies and your investor colleagues during the Showcase Reception immediately following the conference. Included in your conference registration.
