ANGEL CAPITAL ASSOCIATION SPRING ANGEL INSIGHTS WEBINARS SERIES ANNOUNCED *Webinars Provide Tips, Strategies for Building Professional Angel Investing Skills*

Kansas City, MO, February 16, 2016 – Today the Angel Capital Association (ACA), the world’s leading professional association for angel investors, announced its spring [Angel Insights Webinar Series lineup](#). The bi-monthly webinars offer angel investors critical insights and best practices by leveraging the expertise and experience of ACA’s 13,000+ angel investor members and other experts. Registration is open to ACA members as well as other investors, entrepreneurs and those who help entrepreneurs start and grow their businesses.

In addition to the webinar series, angel investors can learn helpful strategies in ACA’s weekly [Forbes.com](#) column, written by angel investor and ACA executive director Marianne Hudson. ACA chairman and angel investor Christopher Mirable provides entrepreneurs insights for working with angel investors in a regular column published by [Inc.com](#).

“Angel investing requires broad knowledge and ACA helps close the gap by connecting angel investors with professional peers to share insights and tricks of the trade,” stated ACA Executive Director and angel investor Marianne Hudson. “Entrepreneurs and others can benefit from the webinars by gaining insights on how angel investors think.”
