### Cherrystone Angel Group Appoints Patrice Milos Executive Director

**Providence, RI** – The [Cherrystone Angel Group](#), announces the appointment of Patrice Milos, PhD as Executive Director effective May 1<sup>st</sup>, 2020.

“A seasoned executive with both highly innovative entrepreneurship and corporate experiences, Patrice brings a wealth of knowledge regarding innovation occurring in the Northeast region. Her visionary work in life sciences, diagnostics, software and digital healthcare nicely complement many of the business opportunities Cherrystone sees as important future opportunities for our angel investors, “ said Robert Manning, Chairman of Cherrystone. “Special thanks to our former Executive Director Bert Lederer, who has done an amazing job over the last three years. His leadership has positioned the group well for continued success.”

“I look forward to working with our Cherrystone Angels at a time when the innovative companies in our growing portfolio and our region are ever more essential to moving our economy forward,” said Dr. Milos. “This is a key time for our entrepreneurial community and we look forward to working with early stage companies as they deliver on the promise of significant growth and economic impact for our region. I am pleased to be working with such a great group of seasoned early stage investors.”

Dr. Milos will continue her efforts as president/CEO of [Medley Genomics](#), a life sciences company dedicated to addressing the challenges of genomic heterogeneity in the diagnosis and treatment of complex diseases. She serves as the Board Chair for [RI BIO](#) and serves on the [RI Hub Venture Mentoring](#) Steering Committee, is an active NIH SBIR grant reviewer. Prior to her current position, Dr. Milos was president/CEO at Claritas Genomics in Cambridge, MA and held senior executive roles at Pfizer Inc.
