INSTRUCTIONS FOR SCHEDULE K-30

GENERAL INSTRUCTIONS

K.S.A. 74-8133 provides a tax credit against the income or premium tax of any angel investor for a cash investment in the qualified securities of a qualified Kansas business.

Before an angel investor may be entitled to receive tax credits, such investor must have made a cash investment in a qualified security of a qualified Kansas business. The investment must be made in a business that has been approved by KTEC (Kansas Technology Enterprise Corporation) as a qualified business prior to the date on which the cash investment is made. For information and assistance regarding the approval of a qualified Kansas business, contact KTEC at (785) 296-5272.

The credit is 50% of such investors' cash investment in any qualified Kansas business, subject to the following limitations:

- No tax credits will be allowed for more than \$50,000 for a single Kansas business or a total of \$250,000 in tax credits for a single year per investor who is a natural person or owner of a permitted entity investor.
- No tax credits shall be allowed for any cash investments in qualified securities for any year after the year 2016.
- The total amount of tax credits shall not exceed \$6,000,000 for tax year 2008 and each tax year thereafter, except that for tax year 2011, the total amount of tax credits shall not exceed \$5,000,000.
- No investor shall claim a credit for cash investments in Kansas Venture Capital, Inc.
- No Kansas venture capital company shall qualify for the tax credit for an investment in a fund created by articles 81, 82, 83 or 84 of chapter 74 of the Kansas Statutes Annotated.

If the amount by which that portion of the credit allowed by this section exceeds the investors' liability in any one taxable year, the remaining portion of the credit may be carried forward until the total amount of the credit is used. If the investor is a permitted entity investor, the credit provided by this section shall be claimed by the owners of the permitted entity investor in proportion to their ownership share of the permitted entity investor.

Subject to certain restrictions this credit may be transferred to another taxpayer. Contact KTEC at (785) 296-5272 for more information.
